

Holiday Shipping Tips

01

Always have the first and last name of both parties (shipper and receiver)

02

Regularly make sure to use an up-to-date phone number for both parties

03

Pack your shipment wisely by using the [packing guide](#)

04

Double check that your shipment falls within DHL Express's weight and dimension [guidelines](#)

05

If you would like to ship without letting your client see the invoice, use neutral delivery service

06

Protect your investment
(get shipment value protection)

07

[Ship early](#) to avoid delays (ie customs). Plan ahead: Make sure your package will arrive in time

08

Don't wait until the last minute to schedule a pickup -- **be sure to know your pickup cut-off time**

09

Sign up to get email notifications for your shipment

10

Once your shipment has been picked up, you can easily track it on the OptimalShip [website](#)
